

No. 28

A very fine White Jade Censer and Cover

Qing Dynasty, Qianlong period (1736-95)

The compressed body supported by three cabriole legs, set to the shoulder with a pair of finely carved *qilong* dragons spray handles suspending loose rings, the sides carved with *taotie* masks and flangs. The domed cover with similarly carved decoration, surmounted by a knob in form of a dragon. The jade of white colour. With finely carved wooden stand.
